Caster Safety

Choose the correct caster wheels for the floor surface the casters are rolling on.

When replacing casters, all wheels need to be replaced at the same time to maintain proper tread wear.

BELL GLIDES

Converts office chairs with casters to stationary chairs without losing the chair height. Choose from three stem sizes. See stem chart on page 4. Weight rated: 110 lbs. per glide. Color: Matte Black.

High Profile Bell Glides

Low Profile Bell Glides

Features a 2-3/16" base diameter with an overall height of 2-5/16" (not including stem).

Turn any chair into Ergonomic Seating. Self-Adjustable Lumbar Support and Seat/Back Cushion

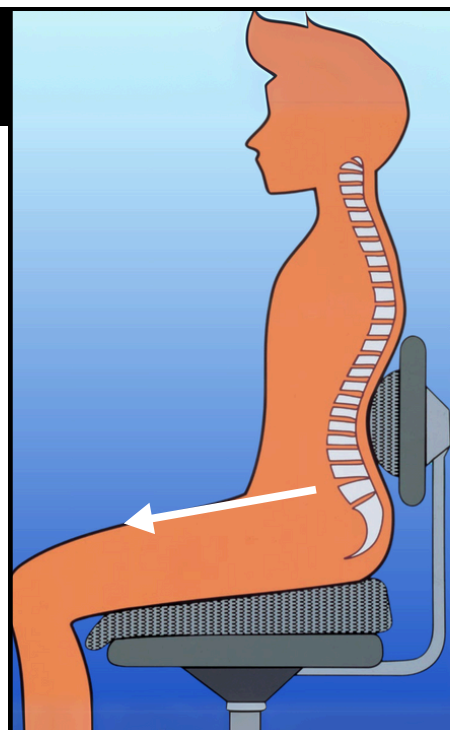

Now anyone can sit comfortably at home, at work, in autos, on airplanes, or anywhere.

Designed, tested and approved by a leading Orthopedic Specialist to reduce back strain and help eliminate fatigue caused by improper seating posture. The unique, patented system of interchangeable foam inserts can be arranged and rearranged to fit all body shapes and sizes, providing "personalized" comfort and support.

Hook and loop tape holds cushions in place on fabric covered seating.

Adjustable strap provided for smooth surface seating.

Flame retardant, washable material cover.

Lumbar Support

Ergonomically designed to support the spine in the proper position for day-long seating comfort.

Allows the spine to assume it's natural "S" shaped curve.

12-1/2" wide x 7-1/2" high x 2-1/2" deep.

UPC NO	COLOR
92011	Black
92041	Grey

DELUXE Lumbar Support

Same great features now available in a DELUXE version with Memory Foam.

Conforms to the body's natural curves providing maximum support and relief.

12-1/2" wide x 7-1/2" high x 2-1/2" deep.

UPC NO	COLOR
92061	Black
92071	Grey

Seat/Back Cushion

Forward tilt of the seat cushion relieves stress from the lower spine and pelvic area.

When used as a back cushion it provides proper seat depth dimension.
